

Andrews Family Cemetery

Location: South McDonough Road

This cemetery is on land that was owned by Wyatt Andrews at the time of his death. The graves are unmarked as the cemetery has essentially been tilled under. The exact location unknown - Land Lot 247 is the location given. It is believed that there are others besides the two Andrews brothers buried here, but we have not turned up any other burial records for this location as of this time.

Andrews

Jacob W. - 29 Sept. 1798 - 4 Feb. 1866
