Bible Records Project

On this page is an index of the Bible records we have received. This website will be updated as new Bible records come in. If you would like a copy of a particular Bible record, send your request to our mailing address or to pcgsprojects@gmail.com. The cost is \$5.00 per Bible.

The Peoria County Genealogical Society's Bible Records Project is ongoing. The purpose is to collect, preserve and make available to the public, the genealogical information sometimes found in old Bibles. All Bible genealogical information is welcome, whether in or outside of Peoria County.

It is never too late to send in your Bible records. Copy the Bible's title page, the birth, marriage and death record pages. You will need to get and sign a form giving us permission to make these records available to the public. Mark your envelope "Bible Project". Mail your photocopies to:

Peoria County Genealogical Society
P.O. Box 1489
Peoria, Illinois 61655-1489

If you have questions or need the permission form, contact pcgsprojects@gmail.com
