

Dear friends and neighbors,

Our town is 100 years old and we wanted to celebrate by inviting former residents to "come home" for the July 4th weekend. We hope you will have the opportunity to become reacquainted with friends of yesteryear, look around your hometown, and have a very pleasant visit. We welcome you and most cordially invite you to come home often.

To help you remember this special occasion and to make your visit more enjoyable, we planned this keepsake booklet for you. Included in the booklet is an early history of Senath - researched and compiled by Elizabeth Douglass Gateley, a centennial family registry, a school registry, photos of the entrants in the "Little Miss Firecracker" and "Miss 4th of July" pageants, a special picture section, and photos of some of the older homes in Senath.

We are very glad you came; and again let us say "Welcome. Come again soon!"

THE SENATH COMMUNITY ASSOCIATION
