

1882 - 1982 SENATH CENTENNIAL

By 1936, the school system had outgrown this building, and a WPA project built a new school in 1937. This structure had an auditorium and a gymnasium.

The Senath School continued to consolidate with other small schools in succeeding years. Caruth, Beech Corner, Bucoda and Hornersville are now part of one system.

The old school building built in 1904 was destroyed by fire in 1941.
