

SENATH COMMUNITY ASSOCIATION

A group of area residents met at the Senath City Hall on September 14, 1981 to plan the 1981 Senath Christmas Parade. The parade had previously been sponsored by the Senath Boosters Club, which had been disbanded.

The group voted to call themselves the Senath Community Association, and elected officers.

After the very successful Christmas Parade, the Association met and decided to function as an organization committed to providing activities for area residents to enjoy. The organization is open to anyone who wishes to participate in planning activities, and who is willing to work for the success of the project.

The Centennial Celebration is their second endeavor.
