

1882 - 1982 SENATH CENTENNIAL

Do you remember the large farm home of E. V. McGrew near Bucoda, or Byrd?
This photo of the home and the McGrew family was taken in 1914.

You do not remember this scene captured in 1895 and called by Nola Osburn
"All My Worldly Goods". The young man on the horse is Hugh Smotherman,
(father of Ernest Smotherman), and he has come to ask Thomas Fletcher Ham
(Nola's grandfather) for the hand of Miss Maggie Belle Ham in marriage. The
Ham farm was east of Senath.
