

## The Mission and Role of University, State Library Archives and Special Collections

The mission of library archives and special collections is to grow, organize, care for, and manage collections of records that are of local, regional, state and national interest - many of which date back to the early colonial period. They are responsible for those items that are especially rare and unique in the library's collections, including rare books, broadsides, sheet music, photographic images and fine art. These collections are made available to researchers from across the country and the world through on-site, on-line and inter-library loan.
