

## Personal Experience: Interwoven Historical and Genealogical Resources

By the end of my trip I had

- Traveled 2,500 miles
- Taken 12,000 digital images
- Identified 150,000 plus ancestors from direct and collateral lines
- Visited and researched
- University archives
- Special collections
- Public and regional libraries
- State, regional, local historical and ethnic societies
- State, county, and local government agencies
- Spoken and counseled extensively with subject matter experts
