If there is a red star on your address label, this is your last newsletter.

I understand that Dr Underwood is recovering nicely from his lengthy surgery at Mayo's in Minnesota. He will not be joining our group for several months for healing purposes. We wish a speedy recovery and will be able to join our group perhaps late spring.

The Part One of Ellis Island was received by a nice sized group of our members, and Part 2 will be shown in April. It could have been better if Claire knew how to work the DVD section of the remote control....she is not one who enjoys the TV extras. Renee will be back and she is our expert on computers, tv programs etc.

Renee was down in the country of Honduras during the month of March with her husband, Steve. He was there on business and Renee was introduced to the Spanish language.

Our membership grew by 4 members during the month of March. The names and addresses will appear elsewhere in our newsletter.

### IN SYMPATHY

We extend our Sympathy to member Arla Hoerath and family in the loss of their daughter, Gloria, who passed away on 15<sup>th</sup> of March 2009 at Lawrence, KS.

Welcome aboard - we have many members ready to help you with your problems. Browse nite is a good time to make use of our many shelves of books and help.

### B.R.T. HAD BRILLIANT BALL

#### Big Social Affair of Railroaders at Masonic Hall

Last night the special train which according to the invitation was to have full right over all others and carry railroad men and their families to Masonic hall arrived on time. It filled the room with an excellent crowd and resulted in one of the gayest times of the season.

With the railroad colors of green and white worked into every conceivable decoration the hall was indeed a gay scene. Everything was done in typical railroad style. The hit of the evening was the highly embellished sign, "Speed limit, not to exceed 6 miles per hour."

The ball was one of the best with the Brotherhood of Railroad Trainmen have given in recent years Larson's orchestra furnished the music.

HOFFMAN-REXIN NUPTIALS  
Pretty Wedding at Home of Bride's  
Parents in Scribner

The home of Mr & Mrs George Hoffman of Scribner, was the scene of a very pretty wedding at high noon today when their daughter, Miss Martha was united in marriage to Arthur Rexin.

The ceremony was performed in the presence of only the immediate families and a few intimate friends by Rev Fr Roth of the Snyder Catholic Church.

At the appointed hour the bridal party took its place in the front room. Miss Gertrude Hoffman bridesmaid and Leo Woerth was groomsman.

After the ceremony an elaborate wedding dinner served.

The bride and groom are well known and popular in the community. They begin housekeeping on the Herman Rexin farm, southwest of this place.
