BROWSE NITE
26 March 2012 7 p.m.

We had a very interesting program and several guests were in our presence, including a member of the Platte Valley Kin Seekers at Columbus NE. Our program was presented by Steve Bunck who is at present working, in his spare time, on the glass negatives that Nona Wiese found in the Musbach Museum at Scribner. Steve cleaned the glass negatives and then made photos for persons to see. Nona explained they were from around the Scribner NE area. Jeff displayed several photos from the May Museum that were from glass negatives from the Fontanelle area. He further states if you want to see more they are on display at the Museum, feel welcome to come. There are a number of the glass negatives around this area, however, most people do not know how to clean and print them, Steve had a brochure he handed out telling of the cleaning, and making the photos. **GOOD PROGRAM** Steve, everyone enjoyed it. I might add that Steve's wife is Renee who does many programs and is employed at Midland University.

NORTH BEND TIDBIT

RIVER NEWS – The steamer "Defiance," Capt Ransford, Master, left her wharf at North Bend last Friday morning and made her way down stream. Shortly after she left port, some parties holding a mortgage started overland to overhaul the steamer at this place, but she stopped at Staat's landing and was there sold to J H Staats – On Sunday some parties were employed who run her back to the Bend, but on Tuesday Staats regained possession by compromising with the mortgagees, and tomorrow she will be at the old Ransford crossing, three miles west of town, ready to cross teams. Fremont again rejoices in *two ferries* and under the able and

accomodating management of Capt Staats the Defiance will do a good business. 27 Sep 1870 Fremont Tribune.

BOOKS ON THE SHELF

Evla Saalfeld has donated a group of books entitled The Nebraska & Midwest Genealogical Society running from July 1923 to October 1944 then discontinued for the Duration. There are cemeteries listed in some of them pertaining to Kansas plus family details containing, as written, a family sheet of information. We thank you Evla for these books, they are already on our shelves. I've just not had a chance to make a good review of the contents.

We have received some booklet quarterlies for the New England Historical & Genealogical Register 3 volumes for 1995 and 4 volumes for 1989.

Surname Index to 65 volumes of Colonial & Revolution Pedigrees. None of the volumes are here in the society. They were donated by Carol Martin, who is a member of our society. A thank you, to you, for donating them to our society.
